

Mon 26th Oct	1400 - 1500	Using Airside Spill Kits All airside users on airport have a duty of care to ensure staff are trained to handle spills that may occur from their work activity. To this end there is spill kits airside to assist this process. When dealing with spills all persons must be adequately trained to conduct this work. This is your opportunity to ensure your staff know what is provided, why, and how to use these kits. <i>Presented by Steve Caldwell (NTA – Safety) and Rob Hangan (Total Safety Solutions)</i>	Connellan Room DIA Terminal
Tues 27th Oct	1000 - 1100	Heat Stress – Fatigue and Dehydration in the Top End Dr Matt Brearley will be providing an update on his exciting research into dehydration and how this impacts on fatigue in the workplace. Matt is now a key leader in the Trauma and Critical Care Unit and has many relevant stories to tell about this important area of safety intertwined with his cutting edge research.	Connellan Room DIA Terminal
Wed 28th Oct	0830 - 0930	FOD walk All airports across Australia and New Zealand are conducting a FOD walk on their airports. Come along and enjoy a sausage sandwich and a cool drink afterwards at the Airport Management Centre. Register your interest now!	Gate 6 Terminal
Thurs 29th Oct	0800 - 1000	Fire Warden Refresher training Everyone has a duty of care to conduct regular fire warden training. It's important to ensure all staff, tenants and contractors know what to do in the event of an emergency evacuation. <i>Presented by 1st Five Minutes</i>	Connellan Room DIA Terminal
Thurs 29th Oct	1000 - 1100	DAMP The airport maintains a strict drug and alcohol management plan. Bob Calaby and Garry Porter will be running a workshop for all DAMP officers to ensure that our airport is being well managed in this important area of safety.	Connellan Room DIA Terminal
Thurs 29th Oct	1500	Noise Noise for airside workers is an important issue that must be managed well. Dr Matt Callaway will share with us methods for measuring, assessing risk and monitoring airport noise and also showing us different types of hearing protection.	Connellan Room DIA Terminal
