

## Application for funds

Darwin International Airport's Corporate Giving Committee is made up of volunteer staff members who meet to distribute funds to charities, individuals and other non-profit community groups in the Top End.

The committee offers grants of up to \$2,500 in support of projects that benefit our community. We welcome applications from groups and individuals working in a variety of areas:

- Youth
- Health
- Education
- Arts
- Sport
- Disadvantaged

We assess applications on a monthly basis using our sponsorship criteria:

1. Local: the sponsorship must benefit Territorians, preferably those based in the Top End.
2. Tangible: our sponsorship must be used for a specific item, project or event. We need to be able to see where the money is being spent, and its benefits to the community. The sponsorship does not cover items such as flights, accommodation, consultant fees or ongoing operational costs, however does consider one off tangible items including venue hire for events, uniforms, equipment or machinery.
3. Not reliant on our continuing support: in order to ensure the CGC is able to support a wide range of community projects, we ask that beneficiaries demonstrate that their work is able to continue without ongoing donations.

**Please note:** Please pay special attention to the conditions above and take time to address the questions in this application carefully.
